

PRODUCT NAME: APPLE & GINGER PEARLS
Apple juice and ginger powder transformed with a gelling agent

Perfect spheres, with a soft and delicate texture that explode in your mouth with an intense flavour. In a smoked salmon timbale, with a duck confit, in an apple and tomato salad, decorating cream cheese canapés. Also crowning vanilla ice cream or bobbing gaily in a vodka and ginger ale cocktail.

REV: 01 DATE: 30/06/11
